### **Share your testimony of coming to faith and salvation in Jesus Christ.**

I am a sinner and will continue to be because of being human. I grew up going to church. My faith grew from attending Sunday School and church. My faith has grown as my life has progressed through peaceful times and tribulations. I know God walks with me daily. I am nothing without God. God is my salvation, my breath, my soul. All I need in life is God. I walk with God daily, I know God, Jesus Christ, and the Holy Spirit surround me daily. God helps me through each day. I am nothing without God. God is central in my life. I love my God. God has save my life numerous times. I speak to God all during the day and night. God is everything in my life.

### **Describe your ministry in the name of Jesus Christ.**

I work within my church having served on all church committees, having held many offices in the church and have attended NCUMC for 36 or more years for my church. I love my church and community. My church has allowed me to serve God through working with feeding children for over 30 years. I work with senior citizens now to help them through teaching, feeding them, helping them with life skills and socialization. My community is a poverty area and is rural eastern NC. I started a food pantry in my church that lasted for 10 years, I worked in my church's local thrift shop, One of my goals in life is to serve others in and around my community. My church works in the community beyond the four walls of the church. God leads me to my life of service.

### **Service in the General Conference is a special task. Explain your understanding of this task.**

I am lead by God in all things. I have attended NCUMC for over 36 years, I attended the NC Global Methodist Church Annual Conference in Fayetteville, NC this past year. I enjoy learning and see the Global Methodist Church Conference as an opportunity to keep learning. God has allowed my faith to grow as I transition in this life to the next life. I treasure these learning opportunities. My faith expands as I learn more about my church and conference. I will take this opportunity if elected quite seriously. It is a task that will be lead by prayer, devotion, study, and hard work. It is not a simple task, it will take one that is dedicated to hard work ethics, faith in God's guidance, and God's directive. God and the church should be leading our communities to serve one another and increase Christian witness.

### **What gifts/strengths/passions/talents do you bring to the building up and organizing of the Global Methodist Church?**

I think that education is an important factor in our youth's lives. I give money for scholarships in my church annually, I have supported this ministry giving up to four scholarships of \$500.00 each year. I work on service projects through financial donations and through service opportunities when offered. I have worked to support the Alzheimer's Association. I have worked with bible schools in my church throughout my life. I have served as local, state, and national officers in my professional association, School Nutrition Association.

I know that it takes hands and feet for any service project. I am willing to work in any role where my services are needed. I volunteer to teach in areas of nutrition, health, medication, etc. I speak to groups regarding service and life experiences when needed. God has blessed me with gifts to teach, a passion to love others, and the goal to serve where needed. I love my God and will follow where God leads me.
