### **Share your testimony of coming to faith and salvation in Jesus Christ.**

My salvation has come to me only by the grace of God! That entirely unearned love which my Mother and Father had assured me during my youth, was mine for the asking. It was my good fortune to be brought up in a close Christian family which shared God's word with me by teaching and by example and surrounded by God's people in a small rural Methodist Church. My testimony of coming to faith in Jesus Christ is one of a personal relationship which developed with the Lord as a teenager. Furthermore, my testimony is that of one who is continuously reminded that God's grace remains with me and sustains me through all of my flaws, my frailties, and my failures.

### **Describe your ministry in the name of Jesus Christ.**

I am currently the Lay Leader at The Bethel Methodist Church, and Lay Delegate to NCPAC

### **Service in the General Conference is a special task. Explain your understanding of this task.**

Service in the General Conference is a Service to God. I do NOT think that it is overstating my answer to say that the task of this Convening General Conference of the Global Methodist Church Denomination is to save Methodism. I do believe that the foundational work which has already been done in the name of the Global Methodist Church has created the framework for preserving and maintaining the Wesleyan Tradition (Methodism). As a delegate to the Convening Annual Conference I would be honored to bring a voice of Biblically based, prayerfully considered, conservative reason to any and all matters which come before the body.

### **What gifts/strengths/passions/talents do you bring to the building up and organizing of the Global Methodist Church?**
